

Central Islip Teachers Association's

Professional Collection

The CITA is proud to announce a new service available to our members. We have started a professional library that makes available important educational resources upon request.

Here's how it works:

Review the list of resources below, and if you find one you are interested in reading, please send the attached form through interoffice mail to:

Barbara Leshinger, Mulvey Elementary School

The book will be sent to you and when you are finished reading the book, you send it back to Mulvey through the school mail.

CITA has always been proud of our motto, **Teachers for Quality Education**.
Sharing and growing as educators will continue to keep us a powerful force.

Name _____ Building _____

Circle the title you'd like to borrow:
